Deadline for the 2017-18 cohort is January 9, 2017

To apply, go to Apply at https://education.uoregon.edu/uoteach. All applicants are for a start date of Summer 2017. Applications will not be reviewed prior to the January deadline.

Application documents:
- Entrance test results
- Listing of three professional references
- Statement of Purpose
- Undergraduate and any subsequent transcripts
- Documentation of experiences working with youth
- Resume

Tuition & Fees & Financial Aid / Scholarship

The cost of the program is determined by the University and varies from year to year. Current tuition information can be found at https://Registrar.uoregon.edu/costs. On the “Graduate” tab, select the student classification “Graduates (Education, Masters/Doctoral Program – Supervision).”

The College of Education offers a comprehensive list of scholarship resources and online application management through the https://education.uoregon.edu/prospective-students/scholarships database. Scholarship and Financial Aid (https://financialaid.uoregon.edu) deadlines are typically early winter term.

Apply at education.uoregon.edu/uoteach

Revolution begins with the self, in the self.
**Getting Started**

**Step 1:** Research state and national teacher licensure programs and their application processes

**Step 2:** Understand and complete all discipline-specific course preparation and testing requirements

**Step 3:** Access UOTeach grad school curriculum and teaching application in fall and submit by deadline

---

### Eligibility Qualifications

The UOTeach master’s program is designed for high achieving students with strong content area knowledge, a commitment to diversity and social justice, and a passion for collaborating with colleagues to ensure a positive impact on student learning. As such, candidates are expected to have significant experience working with youth.

**Candidate Must:**

- Hold a bachelor’s degree with discipline-specific course prerequisites
- Pass required content tests (Mid-High only)
- Have a ≥ 3.0 cumulative GPA, or submit passing Basic Skills Test scores
- Demonstrate significant experience working with target age groups – volunteer or paid
- Qualify for TSPC criminal background clearance (processed during orientation)

---

### Course Prerequisites

#### A. Elementary School Strand

Licensure required courses or equivalents, to be completed prior to the start of the program.

- **MATH**
  - A year of 200 level sequential math or higher or
  - EDST 471 and 472 Foundations of Algebra Learning and Foundations of Geometry Learning
- **EDST 411**
  - Early Childhood and Pre-Adolescent Development
- **EDST 440 PE**
  - For Diverse Learners
- **MUS 322**
  - Music Fundamentals
- **AAD 430**
  - Youth Art Curriculum and Methods

As long as applicants complete prerequisites, there is no required undergraduate major in order to be eligible.

#### B. Middle-High School Strand

UOTeach offers licensure in the five subject areas below. Licensure candidates are required to have advanced content area preparation in the specific discipline for which they are applying. Detailed course information is available on https://education.uoregon.edu/uoteach

1. **English Language Arts** - 36 upper-division credit hours inclusive of literature, writing and theory
2. **Advanced Mathematics** - 36 upper-division credit hours, plus at least 4 credits in any level of computer science
3. **Foundational Mathematics**
4. **Science Education** - upper-division credit hours and authorization depends on specific Biology, Chemistry, Physics, or Integrated Sciences competency areas
5. **Social Studies** - 44 term credits designated to develop a breadth of competence in social studies. With at least 20 term hours of upper-division course work
6. **World Language** - 46-48 upper division linguistic and literature credit hours in Chinese, French, German, Japanese, or Spanish

### Required Entrance Tests

#### A. All Applicants

- The UOTeach program does not require applicants with a cumulative undergraduate GPA of ≥ 3.0 to complete the basic skill tests. All other applicants are required to pass the following Essential Academic Skills (EAS) tests.

  Passing Scores:
  1. **EAS Reading**
  2. **EAS Writing**
  3. **EAS Math**

#### B. Mid-High School Strand Applicants

- **must** take the Content Specific ORELA Subject Area Test. The test, along with related preparatory course work, determines subject area eligibility. Passing ORELA score requirements and links to the test (www.orela.nesinc.com) are listed on the UOTeach website by specialization.
